LOCAL RULES

1. Out of Bounds (Rule 18)
Out of Bounds is defined by the line between the course-side points at ground level of white stakes and fence posts surrounding the golf course.

2. Penalty Areas
All areas defined by Red Stakes or Red Lines
When a player's ball is in a penalty area, including when it is know or virtually certain to be in a penalty area even though not found, the player may take relief using one of the options under Rule 17.1d.

3. Bunkers (Rule 12)
Consult the Bunker definition map in the proshop or staging area for a pictorial view of the course's bunkers. In these areas, normal bunker rules apply. Other sand areas on the course are to be classified as 'The General Area' and a club may be grounded at address.

4. Immovable Obstructions
Includes all cart paths, irrigation systems, junction boxes and staked trees. The 6" edges of fairways are classed as immovable obstructions if the ball location may result in injury to the player when making a stroke. Relief must be taken in the same 'type' of ground. E.g. a ball on the desert areas must be dropped on the same.

No Play Zones
When your ball is positioned in a place where your swing would strike the course's irrigation systems, relief must be taken where the ball can be placed within a clublength from the nearest point of relief.

5. Floodlight Poles Policy
The floodlight poles are to be treated as immovable obstructions if impeding your stance or swing. If a ball strikes one of the floodlight poles it is to be played as it lies.
